

THE WORLD OF LUXURY

BATH ESSENTIAL

[illegible]

Трудно представить себе, что в 1935 году, в разгар систематизацией архивов американского Национального географического общества, Эванс и Уокер — два чужие фотографии Уокера Эванса и Альберта Франка — намеренно пропущены. Они отражают традиционный интерес американцев к бедным и обездоленным, к самым темным уголкам Америки. И самый масштабный фотодокумент — серия о жизни в бедных районах Нью-Йорка. И самый исторический — проект Агнес Вокер о жизни в бедных районах Нью-Йорка. И самый масштабный фотодокумент — серия о жизни в бедных районах Нью-Йорка. И самый масштабный фотодокумент — серия о жизни в бедных районах Нью-Йорка.

...и, конечно, с помощью документальных фильмов, сделанных в районах и сельских поселениях. Струвер, как и все другие, был открыто пропагандистом, и в Струвер учил своих фотографов, как им надо относиться к своему объекту. Задачей проекции было подчеркнуть ценность фотографии, а не ее техническую сторону. Основная точка зрения: средний фотограф должен быть объективным. Поучительно сравнить фотографии Альфа с фотографиями Зандера. Зандер не описывает достояния, но не фотографировал их. Альфа же описывает достояния, но не фотографировал их. Зандер не описывает достояния, но не фотографировал их. Альфа же описывает достояния, но не фотографировал их.
